Projects

Vehicle Management System

Documentation: [vehicle management system user manual](#)

Technology Used: PHP, MySQL, JavaScript, CSS, HTML, Ajax, JQuery, CodeIgniter-4, Bootstrap-4

- Developed vehicle management system to avoid the time consuming primitive solution.
- Reduce time and efforts of manpower, better functionality and increase the efficiency.
- Served a group of company ([SQ Group](#)) successfully

Restaurant Management System

Technology Used: Laravel-8, PHP, MySQL, JavaScript, CSS, HTML, Ajax, JQuery, Bootstrap-4

- Provides table reservation features to end user
- Available features on dashboard based on user roles such as Admin, Manager, Super User.

Waste Separation System

Technology Used: PHP, MySQL, JavaScript, CSS, HTML, JQuery, CodeIgniter-4, Bootstrap-4

- Developed a Wastage separation system based on some parameters such as waste type, preferred waste bin color, disposal organization etc.
- WSS helps to submit the waste information from end-user and separate and analyze data from admin role

Websites Using Content Management System

- Website of a technology solution provider (nybsys.com)
- Website of a technology solution provider (toronalink.com)
- Website of a immigration consultant company (discreteimmigration.ca or [Temporary Domain](#))
- Website of a Face Recognition Based Access controller (facenext.com or [Temporary Domain](#))
- Website of a IoT based communication platform product (sentraptt.com or [Temporary Domain](#))
- Website of Swaziland Police (police.gov.sz)
- Website of a Scholl (smnssc.edu.bd)

Academic Qualifications

- B.Sc in Information & Communication Technology from Islamic University, Kushtia, Bangladesh .
[Passing Year: 2020] [CGPA: 3.20 out of 4]
- H.S.C in Science Group from Nawabganj Govt. College, Chapainawabganj, Bangladesh.
[Passing Year: 2015] [GPA: 4.92 out of 5.00]
- S.S.C in Science Group from Harimohan Govt. High School, Chapainawabganj, Bangladesh.
[Passing Year: 2013] [GPA: 5.00 out of 5.00]

Achievements

Project Showcasing Event, SUST Tech Fest-2019

Runner-up

- SUST Tech Fest was organized by the Shahjalal University of Science and Technology, Sylhet. Around 1200 competitors from 54 universities were participating in that event. The group of three members of **Team ICT** participated with the project named **Home Automation System Using the Internet of Things**.
